

addition to his political service, D.A.'s professional pursuits were in the fields of technology, as well as in administrative management for non-profit Christian entities. In 2004, he retired as the Executive Administrator for the Senior Pastor at Highland Park Presbyterian Church.

D.A. studied genealogy extensively, tracing his ancestry back more than 1,300 years. He also found genealogical relationships to 20 of the 45 U.S. Presidents. Above all else, D.A. was privileged to call himself a fifth-generation Texan. His great, great grandfather, Judge Felix Benedict Dixon, immigrated from Ohio to Texas in 1841, when it was still the Republic of Texas. D.A.'s lineage also has roots going back in America as a sixth-generation United States citizen, being a descendant of American Revolutionary soldier, Lt. George P. Sharp, of New York.

D.A. is survived by his wife, Suzanne Margaret Boggess Sharpe and their three children: Taylor Marcus Sharpe; Tiffany Lenn Sharpe Westmoreland and her husband, Steven O. Westmoreland; and Todd Wittman Sharpe, and his wife, Carrie Ann Maxwell Sharpe. There are seven grandchildren: Katherine Michelle, John David (Jack), Lily Taylor, Sarah Todd and Samuel Lee (Sam) Westmoreland; and Luke Maxwell and Brooke Eden Sharpe.

Though D.A. is no longer with us, his memory will not be forgotten by those of us who were privileged enough to know him. I ask Members to please pray for my dear friend D.A. Sharpe and his family during this difficult time.

RECOGNIZING FRANCES GIVENS
OF FONTANA

HON. NORMA J. TORRES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2018

Mrs. TORRES. Mr. Speaker, I rise today to honor the life of Frances Givens, a resident of our 35th Congressional District in Fontana,

California, who was well known as a fierce advocate for senior citizens.

Fran Givens dedicated her life to promoting issues important to senior citizens such as affordable housing, increased availability of gerontology doctors, transportation, and access to and coordination of all available services. Fran served in the Senior Assembly of the California Senior Legislature from 2006 to 2014, where she was a leader among the volunteer body whose mission it is to enhance the quality of life for older Californians and their families.

As a committed advocate, Fran never missed an opportunity to raise attention to issues that affect senior citizens. Fran frequently served as a public speaker for senior citizen issues on the radio, at City Council meetings, clubs, dinners, and fundraisers. She could also be found passing out hundreds of brochures about the California Senior Legislature, to elevate the mission of the group.

The state of California is home to incredible people who possess a spirit of public service and a commitment to their communities. Fran was a champion for senior citizens' issues. Her advocacy efforts have made lasting contributions to the community of Fontana, the state of California, and beyond.

In 2014, I had the honor of awarding Fran the Woman of the Year Lifetime Achievement Award, a well-deserved recognition of her exemplary record of community service.

On July 5th of this year, Fran passed away at the age of 83. Her legacy teaches us all to relentlessly devote ourselves to what we care most about, and for that I would like to recognize Frances Givens.

TRIBUTE TO MALL CHANEY ON
HER 75TH BIRTHDAY

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2018

Mr. YOUNG of Alaska. Mr. Speaker, I rise today to pay tribute to a person of great merit on the occasion of her 75th birthday. It is often stated that the United States is great because it is a nation of immigrants. Mr. Speaker, I would agree with this statement with the addition of the word legal in front of immigrants. Mall Chaney is an example of such a person who worked within the law to become a citizen of the United States. I understand that it is not an easy task.

Mall was born in Estonia in 1943 in the middle of World War II. At that time Estonia was in peril at the hands of Russia as well as Germany. However, it was her parents' concern about Russia that caused them to flee. Russia had seized her mother's brother and sent him to Siberia never to be heard from again. As a professional chemist, Mall's father feared being pressed into Russia's weapons development program or much worse.

When Mall was about six months old the family consisting of her mother, father, and sister fled under cover of night with basically nothing but the clothes on their backs. The family spent several years in a Swedish refugee camp and then in the general population of Sweden. In 1951 Mall and her family were sponsored by a family friend from Canada and were able to migrate to Canada.

Mall lived in Canada until she married John Chaney, a resident of Florida, in 1982. Mall became a U.S. citizen and has paid homage to the United States by respecting our laws, becoming a respected and loved member of the community, the state of Florida, and the country.

Happy Birthday Mall, and best wishes.

EQUITABLE ACCESS TO CARE AND
HEALTH ACT

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2018

Mr. KEATING. Mr. Speaker, I rise today in support of the Equitable Access to Care and Health Act, or the EACH Act, which seeks to provide a bipartisan, common-sense exemption to the Affordable Care Act for those who uniquely rely on religious methods of healing.

In my home state of Massachusetts, we are very proud of our healthcare system, the system which, as my colleagues know, formed the basis for the Affordable Care Act, the law from which so many Americans benefit today.

As the Massachusetts legislature contemplated the direction of its successful healthcare system, lawmakers saw fit to provide an exemption from its insurance requirements for sincerely held religious beliefs. The exemption grants reprieve for Massachusetts residents who would not otherwise use our traditional healthcare system even if they did carry traditional health insurance. At its essence, the EACH Act seeks to extend a similar reprieve for Americans who would not otherwise benefit from the system created under the Affordable Care Act.

Thank you to my colleague Mr. DAVIS of Illinois for his leadership on this issue. I urge my colleagues to support this bipartisan legislation.

CELEBRATING THE WORK AND
LEGACY OF EULA L. BECK

HON. JOHN R. CARTER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2018

Mr. CARTER of Texas. Mr. Speaker, I celebrate the extraordinary work and legacy of Eula L. Beck, or "Sis" as most affectionately call her, who has been an active supporter of Central Texas Communities her whole life. Her resume tells the story of a woman unafraid to contribute both her time and energies to a multitude of organizations that rely on volunteerism and social engagement to make good communities great.

Sis was raised just south of Killeen on a ranch near Maxdale and has led a life devoted to causes bigger than herself. Her extraordinary career began at Camp Hood where she supported war efforts during WWII. From there, she worked to upgrade Camp Hood to Fort Hood and served as a crucial advocate to make Fort Hood the model for military bases that it is today. Sis' influence in Central Texas didn't stop there. She has engaged in a multitude of endeavors ranging from owning a local Killeen TV station to establishing the
